

### Aunt Eliza's Star - Page 2

Now sew a Color 1 quarter square triangle to the left edge of a Color 2 3-1/2" square. Press seam towards triangle. Sew another QST to the bottom edge, and press towards that triangle...

Lay out all units as shown at left. Sew the two smaller corner units to the upper right and lower left of the center square. Now add the two larger corner units to complete your block! Aunt Eliza would be Proud! :o)

Here are 18 blocks in a staggered row setting!

## \*\* Preparing the Pieces and Sewing the Block \*\*

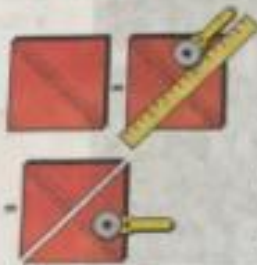

USE ANY  
Solid color  
Color 1

Start by cutting the Color 1  $4\frac{1}{4}$ " x  $8\frac{1}{2}$ " strip into two  $4\frac{1}{4}$ " squares...

Cut one of the  $4\frac{1}{4}$ " Color 1 squares you just cut in half on both diagonals to make four quarter square triangles...

Now place the other Color 1  $4\frac{1}{4}$ " square right sides together and all edges aligned with the Color 2  $4\frac{1}{4}$ " square. On the back of the top square lightly draw in the diagonal. Sew  $\frac{1}{4}$ " away from the draw line on both sides of it. Now use a ruler and rotary cutter to cut this in half on the opposite diagonal. Then cut apart on the drawn lines. This will give you four pieced triangles. Press each to the darker side.

Color 2

Next cut the Color 2  $3\frac{1}{2}$ " x  $14$ " strip into four  $3\frac{1}{2}$ " squares...

cut the center square from the  
Color 2  $5$ " square...

Sew one of the pieced triangles right sides together to the right edge of a Color 2  $3\frac{1}{2}$ " square. Press seam towards triangle unit. Sew another pieced triangle to the bottom edge, again pressing towards that triangle. Make two units like this... on to [Page 2!](#)
